John,

Please see attached a Request for Consent to subcontract for the Transportation and Disposal of TSCA Regulated soils from the above referenced site. The backup documentation is too large for me to send from where I am so I am going to have [Nonresponsive based on revised scope] forward you the backup documentation.

[Nonresponsive based on revised scope], please forward the PO request with backup documentation to the recipients on this e mail.

Please contact me if you should have any questions.

Thanks,
